Thank you, Edible Communities, for choosing Sheridan!
Edible publications are beautifully photographed and illustrated, colorful, joyful, and vibrant. What better way to celebrate that than with a coloring book of a variety of Edible covers?

Sheridan has the honor of printing Edible publications from coast to coast, and beyond. We are grateful for your continued trust.

Happy coloring!

P.S.: check the inside and outside back cover for full-color thumbnails of each of these stand-out edible covers.
